Project: UEE Full Training Product Review update as of September 2025

PSO has finalised Technical Committee which is scheduled to meet on 1 and 2 October.

Technical committee members can be viewed via this tab - https://poweringskills.com.au/project/uee-full-training-product-review/#technical-committee

Subject Matter Expert (SME) group meetings

Initial meetings with SME groups have now concluded with strong alignment across several cross-cutting themes, including:

Collaboration & Respect: high levels of mutual respect and willingness to work together.

Urgency for Reform: clear desire to modernise qualifications and address systemic gaps.

Future-Proofing: strong interest in aligning training with emerging technologies and industry needs.

Pragmatism: realistic views on funding, delivery challenges, and regulatory complexity.

Innovation: openness to new models like micro-credentials, skill sets, and modular pathways.
